# JA Our Friends

JA Our Friends introduces students in Pre-Kindergarten financial literacy concepts of sharing; counting; needs and wants; earning, spending and saving money; helping; jobs in the community; making choices; and giving.

**Session**  **Our School Friends**  
Students learn about sharing, counting, and the idea of being a good friend.

**Session**  **Our Family Friends**  
Students will learn about needs and wants along with gaining additional skills in sorting.

**Session**  **Our Neighborhood Friends**  
Students will learn about shapes and colors while being introduced to the idea of earning and spending money.

**Session**  **Our Community Friends**  
Students will learn more about matching, the idea of a job and helping others.

**Session**  **Our Animal Friends**  
Students will gain skills in cutting with scissors, pasting, writing and recognizing letters, shapes and patterns. They will also be introduced to the concepts of making good choices and giving.
