Entertainment

How much will you spend?

You should each have a card and chips in front of you. Look at the entertainment card and decide which activities you would spend your money on. The number assigned to each activity is how many chips you have to use on that category. Choose activities until all your chips are gone.

After students have placed all their chips, have them look around at each other's cards and point out the different number of activities chosen.

Click for next slide.

What are the things you like to do for entertainment?

How will you spend your money?

All of these activities cost money. Some more than others. (Blue boxes on cards)

Click for next slide.

Junior Achievement | JA Finance Park®

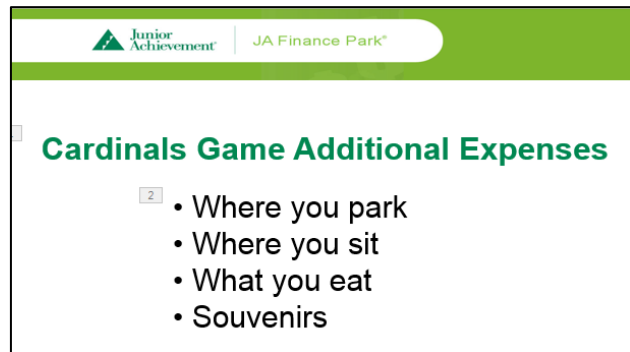

Entertainment could include:

- Concerts
- Theater tickets
- Movies
- Dining Out
- Sporting events
- Playing sports
- Pet ownership
- Six Flags
- Mini Golf
- Go Carts

Entertainment

Some entertainment activities can vary in price depending on additional choices. What additional costs would you have at a Cardinals game other than the ticket price?

Click for next slide.

Junior Achievement® | JA Finance Park®

Cardinals Game Additional Expenses

- Where you park
- Where you sit
- What you eat
- Souvenirs

Here are some examples of free entertainment. (Yellow boxes on cards) These are some great ways to stretch your entertainment budget.

Sometimes there may not be money left for entertainment so you could choose from free options.

Click for next slide.
