

A.G. Edwards JA Finance Park Teacher Training Schedule 2010-11

Dear New JA Finance Park Teachers:

Please select one teacher training date from the list below and let our office know which one you will attend. We recommend completing teacher training approximately 5-6 weeks prior to your student visit date. If you haven't participated before, training is important in order to obtain all the benefits of the JA Finance Park program. All training occurs at the Junior Achievement office in Chesterfield, Missouri (about eight miles west of I-270).

If you are new to JA Finance Park, here a brief overview of the process:

1. Schedule student visit date
2. Begin teaching curriculum about four weeks before visit.
3. Receive teacher training at least five to six weeks before visit.
